++ Valid for broadcast between 1800 and 0600

Headline:
Dry and mild with some fog and frost overnight.

This Evening and Tonight:
Remaining dry this evening with clear skies overnight. Feeling chilly with light winds allowing for frost in prone spots and localised fog patches to form. Minimum temperature -1 deg C (30 deg F).

Sunday:
Any morning fog patches will quickly clear to leave a fine and bright day with plenty of sunshine. Low cloud and fog forming overnight, with a frost risk too. Maximum temperature 12 deg C (54 deg F).

Outlook for Monday to Wednesday:
Cloudy with sunny intervals on Monday and Tuesday before rain arrives on Tuesday evening. Scattered showers on Wednesday. Mild throughout with further overnight frosts and fog patches.
